Location

The site is located at the busy A1/A14 Interchange approximately 3 miles west of Huntingdon and 8 miles north of St Neots. The site is in close proximity to the Alconbury Weald 1,420 acre Enterprise Campus development where there are plans to build 5,000 new homes and 3,000,000 sq ft of business space.

The A1 Trunk and A1 (M) is the main north south route along the eastern side of the country from North London to Tyne & Wear. The subject site is situated at its intersection with the A14 which is likewise the country's main east/west trunk road linking the M1 and M6 to the west and the M11 and ultimately Ipswich and the east ports to the east.

The development complements an established leisure and service area with **BP**, **McDonald's**, **Premier Inn** and a **Brewers Fayre** public house and restaurant.
