

Rapleys' **Town Planning** and **Retail & Leisure Group** work closely with Lidl's national acquisition department and are delighted to share some of our latest acquisitions for the discount grocer as they reach a pivotal milestone in Great Britain and open their 800<sup>th</sup> store.

Rapleys work in partnership with Lidl on a spectrum of services, from initial planning appraisals, scoping reports, property acquisition and public consultation. See below for highlights of some of the deals or speak to the team for more information:
