Subject: RE: Lower Rainham Rd

Hi Dermot

Thanks for the note.

I've discussed with Rob Neave, our Principle Transport Planner. We have the following comments:

- Please can you confirm the timeframe to complete this work.
- Please can the subnetwork include the Beechings Way / Pump Lane junction.
- Please can Sensitivity 1 relate to the current application for 1,250 new homes, assumed to be built out by 2028. The reference is MC/19/1566.
 - There is very limited transport mitigation proposed. You can look up the details via <https://publicaccess1.medway.gov.uk/online-applications/>
- Please can Sensitivity 2 involve cumulative batches of 500 new homes, comprising 250 to the east of Rainham and 250 to the north of Rainham each time.

Thanks
Andrew

Hi Andrew,

I include the note on Lower Rainham testing. Let me know if there's anything you'd like to follow up on this.

Thanks,

Dermot Hanney
