

## WE NEED YOUR HELP TO MAKE SURE LIDL'S PLANS FOR WIGAN ARE DELIVERED!

Following a public consultation last year, we submitted a planning application to Wigan Council in August 2020 to bring forward a new store to the south of Woodhouse Lane.

The £6m regeneration proposals will provide over 40 full-time local jobs and provide a post pandemic boost to the local economy. However, we need your help today to show Wigan Council that local residents want to see the plans brought forward. Visit our dedicated consultation page now and show your support! Details on how you can do this are provided on the back of this leaflet.

### KEY BENEFITS

Over 40 full-time jobs to support local employment

The £6m regeneration scheme will provide a post pandemic boost to the local economy

The scheme will boost local shopping choice

The store will serve a catchment area of **c20,000 people** providing quality choice at affordable prices

## HOW CAN I HELP?

We need your help today to show Wigan Council that local residents want to see the plans brought forward. Register your support now for the jobs and local investment that Lidl will bring by visiting our dedicated consultation page using the link below:

## WHO ARE LIDL?

Lidl's first store in the UK opened in 1994 and now has over 800 stores across Britain. Lidl takes pride in providing top quality products at the lowest prices. Its stores are operated by a network of dedicated store staff, helping to establish and develop the success of the company. Lidl currently trade across six stores in Wigan with the introduction of a further two stores planned.
