Lidl Scotland

Since opening our first store in Scotland in 1994, we have steadily expanded and now operate over 100 stores across Scotland. Our expansion has only been possible thanks to the help and support of the local communities which we serve. We are very proud of our success in Scotland and the relationships that we have formed with Scottish suppliers and local communities.

With a large range of products sourced from over 80 Scottish suppliers, we are committed to providing customers with the best quality, fresh produce at great prices.

Alongside our own brand products, we also offer our customers some of Scotland's biggest brands at trademark Lidl prices. Customers can enjoy a wide range of 100% Scottish beef, lamb and pork, as well as an extensive range of fresh fruit and vegetables, bread and cakes, and chilled and frozen products.

Lidl have introduced in-store bakeries in all Scottish stores. Your new store at Wishaw would benefit from a bakery offering freshly baked products through-out the day. The bakery would stock a wide range of goods from baguettes to doughnuts and cheese twists to Scottish morning rolls.

Every week we offer an array of outstanding promotions on some of the nation's favourite brands. Offers also include our 'Pick of the week', where we offer a variety of fresh fruit and vegetables at reduced prices, all week long!

In fact, the products sourced from Scotland are of such fantastic quality that many are exported to over 9,500 Lidl stores across Europe - something both Lidl and Scotland can be proud of!

Have Your Say

Lidl has submitted a planning application for a new dedicated Lidl store on Land West of Heathery Road, Wishaw. As part of the application process, we are seeking feedback from the local community on the proposals.

Site Background

The site is located to the north-west of the roundabout junction where Heathery Road meets the A721 (Glasgow Road), Netherton Street and Alexander Street. The site is bounded to the north by the railway line embankment and Sports Direct is located to the west.

The Proposal

The proposal is for a 1,266 sq.m net sales area Lidl foodstore together with 112 parking spaces including dedicated disabled bays, parent and child bays. The store will also feature 2 electric vehicle charging spaces and array of solar panels on the roof. Vehicular and pedestrian access to the store is proposed from Heathery Road.

Benefits of the Proposed Development

The proposal will bring a number of benefits to the locality, including:

- Maximising the use of a previously developed and partially vacant site;
- The creation of jobs locally through the construction process and employment opportunities once the development has been completed;
- Regenerating an underutilised site; and
- Providing a convenient foodstore facility for the expanding local community.

Specifically, the new Lidl store will provide the following benefits to the local area:

- A brand new store that will provide a clean and fresh shopping experience to meet the needs of customers;
- A dedicated in-store bakery;
- A sustainable store with roof mounted solar panels providing up to 25% of the store's electricity supply;
- A contemporary building design that will complement the surrounding area;
- Employment opportunities for local residents; and
- Over Living Wage Foundation hourly rate, starting at £10.10 from March 2022 for all eligible employees and no zero hours contracts.
