IONITY is building and operating a high-power charging network for electric vehicles along motorways across the UK and mainland Europe.

REQUIREMENTS

0.2 – 0.5 acre

Sites to be located a maximum of 1.5 miles or a three minute drive from all major M or A roads

Access to charging bays 24/7

Retail parks and development sites considered

WHAT WE OFFER

Fully funded by IONITY

Leasehold or freehold

Up to 25 year lease without breaks

Secure rental income with annual rental uplifts

OUR MISSION

Future-proof technology with up to 350kW charging power per charger

Open network for all brands of EVs with CCS

Powered by 100% green energy
