Crewkerne is a thriving and busy south Somerset town. It is 8 miles west of Yeovil and Taunton is 20 miles to the north which connects to the M5.

The church is located on one of the towns main arterial routes which leads to the A303 – an A road connecting London to the south west. The town has its own railway on the Yeovil – Axminster line. The A356 runs through the town for further local and regional connectivity.

The property occupies a central position within the town, close to local amenities.

The church is set to the rear of the corner plot with a forecourt behind walls and metal railings to its side and frontage. The church is semi detached to what was once the manse and Sunday school. These two properties are in separate ownership and not included with the sale.

The church dates from 1820 and was enlarged in 1830 with the current frontage added in 1880. It is an impressive building of limestone under a pitched slate roof. The windows are single glazed timber framed. The building retains a number of original features and is in good condition following a refurbishment programme in 2010.

The accommodation is principally the open sanctuary worship area with high level balcony around three sides. There are a number of meeting rooms off the sanctuary.
